### HOW TO GET DHAMMA PALLAVA WHEN YOU GET TO DZIADOWICE VILLAGE

Follow the main road. You will pass a small primary school on your right. About 50 m from the school the tarmac road ends and becomes a dirty track forest access road. Continue straight through the forest (about 1 km). Turn left at the sign to Dhamma Pallava. Continue straight about 200m and you will see the centre on your right.

You can leave your car in the fenced parking slot.

**If you would like to share a lift or are travelling by car and can offer someone a lift than you can use our Rideshare Board: <http://rides.server.dhamma.org/pl/index.php>**  
**Please note we do not contact the participants re shared transportation.**

### By public transport:

**Note that there is generally no public transportation directly to the centre.**

If you need any help with finding a suitable connection, please, let us know.

You should come to Turek (a town 12 km from Dhamma Pallava), eventually to Malanow (a village 8 km from Dhamma Pallava). There are more connections to Turek.

Please make all your homeward travel arrangements from Turek or Malanow before the course starts. You will not be able to use your mobile phone, iPad, tablet or any other internet device until after the end of the course.

We have organized paid shuttle taxi (marked with a sign VIPASSANA behind the front window) going from Turek via Malanow on the start day (day 0). The price per person is 20 zlotys. It will wait at the entrance to the bus station in Turek (there is a possibility of taking a meal there) at 13.30, 15.30, 17.30 and at Malanow bus stop (there is a possibility of taking a meal about 150 m from the bus stop) 15 minutes later 13.45, 15.45, 17.45. If there are more than 4 people waiting the car will do the second run.

There are also 4 taxi companies in Turek. You can find them <http://www.turek.rozkladyjazdy.pl/taxi/>

The price for an individual taxi from Turek to Dhamma Pallava in Dziadowice is about 60 zlotys.

If you need to wait for pick up, please, go to the waiting room in Turek.

### By air:

The closest airports are in Warsaw (Chopin, Okecie) and Poznan. There are local buses from the airports to the main railway station in these cities. Please check a suitable

connection to Malanow or Turek. Check the information above re shuttle taxis to the centre. If you are arriving in Warsaw, the easiest way to get a centre is to take a morning train from Warszawa Centralna (the train station) to Kalisz and a bus from Kalisz to Turek. If you decide to use this option, you might need to consider coming to Warsaw one day earlier and staying in a hostel/hotel.

#### **For students coming from Berlin:**

##### **By car**

Dziadowice is 386 km from Berlin.

Take the motorway A12 from Berlin direction Frankfurt/Oder, continue on motorway A2 direction Warsaw. Leave the A2 at the exit Konin Wschód, continue on DK72 direction Turek, leave the DK72 after about 16 km and turn right, direction Malanow, after about 6 km turn left to Dziadowice, in the village of Dziadowice the way to the centre is marked by the signs

##### **By train**

The Eurocity Berlin-Warsaw Express leaves Berlin Hauptbahnhof a few times a day. **There are some difficulties caused by the railway development till autumn 2018.**

For sure the train connection to Poznan works.

**We installed a shuttle bus service from Poznan** (it costs 20€ including both ways Poznan to Dhamma Pallava on the arrival day and return on the day the course is over). So an easy connection (probably the most comfortable) from Germany would be to go by train to Poznan and at the station switch to the shuttle bus. To be there early enough for the shuttle bus please check out your suitable connection. The Eurocity 45 departing Berlin Hbf at 12:37h is probably the latest option. It supposed to arrive at Poznan 15:23h. Please verify yourself.

For the shuttle bus:

Everybody will meet in Poznan at the bus stand near the bus at Dworzec Letni, please be there early enough (around 15:30h), as the driver needs to load in the luggage.

With this mail a map is attached to find the bus stand easily. The bus will have an info card „Vipassana“ by the windshield.

In case you have problems please contact us by using the telephone number: [+48 504 340 425](tel:+48504340425).

The bus will leave at 16:00h from Poznan to get to Dhamma Pallava just in time.

When the course is over the shuttle bus will take everyone back to Poznan train station at 10:00h departure from Dhamma Pallava to be at the train station around 12:00h.

There is a train from Poznan to Berlin leaving at 13:33h.

In case you would like to take that option, **please reserve the shuttle bus in advance by writing to the registration in Germany at Dhamma Dvara.** It would be helpful if you let us know a mobil phone number just in case.

Those who would take the shuttle bus we kindly ask to not bring more than 2 pieces of luggage (a smaller and a big one) to be able to assure that there is enough space in the busses.

#### **Other possibilities to travel by train:**

**If you cannot find a suitable connection to Konin, check the connection to Kalisz.**

**There are buses from Konin and Kalisz to Turek.**

See the information above re shuttle taxi to Dhamma Pallava.
